Purpose

Child Placement & Supportive Services (better known as foster care and adoption), provides services to children, their families, kinship care networks, adoptive parents and foster parents when it is necessary to separate a child from his or her caretakers if the parents or caretakers are unable or unwilling to provide adequate protection and care.

Mission Statement

In keeping with The Division of Social Services Purpose for Guidance, Child Placement and Supportive Services has committed to the following:

Services

Administrative Support Services

Provides clerical and administrative support to The Child Welfare Division which includes Child Protective Services and Child Placement and Supportive Services and maintains Medicaid eligibility for children in DSS custody.

Human Services Unit

Provides support services through Community Social Services Technicians. These services include transportation, supervision of visits between children and their parents or caretakers, assistance locating housing, and homemaker services such as parenting and budgeting tips.

Foster Care/Permanency Planning

Social Workers provide intensive social work and case management services to children ages birth to 21 who are in DSS custody in order to achieve permanent outcomes of either reunification with parents or caretakers, relative placements, court approved guardians or adoption.

Adoption

Social Workers provide intensive social work and case management services to children until permanence is achieved through legal adoption. Social Workers also provide pre-placement home studies, adoptions, and post-placement adoption services.

Foster Home Licensing and Placement

Social Workers license and renew licenses for foster homes, provide supportive services for foster families, and conduct in service training for all foster families. This unit facilitates the placement of children needing out-of-home care in foster homes, group homes or residential treatment facilities. They serve as the liaisons for the agency to the two group homes operated by Lutheran Family Services.

Special Services

Provides LINKS Services to youth ages 13 to 21 to assist Social Workers in preparing them for Independent Living. The Team Decision Making/Child & Family Team Facilitator facilitate meetings when there is a potential custody, placement disruption and reunifications. A post Adoption Social Worker provides post-adoption services to families and children (adoptee). And the Child Welfare Lead Social Worker assists Supervisors in preparing and training Social Workers in certain aspects of their job and also serves as the DSS Child Welfare Court Liaison.

Family to Family

The Adoption and Foster Care Recruiter provides written information and conducts community meetings/presentations in an effort to recruit parents for children in foster care. Some of the special partnerships this program is involved in include:

Family to Family Initiative
(Annie E. Casey Foundation)

Durham County System of Care (SOC)

Family Drug Treatment Court

Youth Drug Treatment Court with Durham
County Family Court

Multiple Response System (MRS)

Eligibility

Children ages 0-21 who are placed in the legal custody of The Department of Social Services due to abuse, neglect, or dependency, as well as their families, kinship care networks, adoptive parents, and foster parents.

Application

Clients do not apply for services since this a state-mandated service that begins once the agency receives legal custody of a child. Cases are transferred from Child Protective Services to CPSS after a petition has been filed in Court to place the child in the legal custody of the agency.
